Mallets

5

The image shows two staves of musical notation for a mallet instrument. The first staff is labeled 'Mallets' and is in 4/4 time. It contains 16 measures of music, each with a single eighth note. The notes are grouped into pairs of four notes per measure, with a bracket underneath each pair. The second staff starts with a measure number '5' and contains 16 measures. The first 12 measures follow the same pattern as the first staff. The final four measures (13-16) show a descending sequence of notes, with a final measure containing a whole rest.

Play in all 12 keys

When playing 2 mallets pick either the top two note or the bottom 2 notes. Make sure that all the notes are covered though.
